↓ NEW PLANT LIST ↓

Thank you so much for your patience.

Lots of changes have been happening here at the Nursery!! Retirement, office paint-n-swap, new duties, holidays, normal summer nonsense and Grass Harvest, too! Things are taking a bit longer than I anticipated, but we are working on it!! Don't hesitate to email or call me with any questions. You're also welcome to send your list over and I can give you an idea of what we can provide for Fall 2026 or Spring 2027 while we wrap up the list.

Most Sincerely, Carrie
